

Title of the paper

THOMAS BROWN and JOHN TAYLOR

Abstract. Text of the abstract.

Key words and phrases: thinking, mathematical thinkig,....

ZDM Subject Classification: D40.

Title of the section

In this section....

Title of the subsection

According to Estrada (2002, p. 11) we can say that...

Title of the subsubsection

According to the results of the investigations which were shown in the subsection "*Title of the subsection*" we can say

- (1) text of the **first item** (Oberguggenberger, 1995)
- (2) text of the second item (Areti et al., 2015)

In this subsubsection we will use the formulas (Clements et al., 1969; Freudenthal, 1983):

The author thanks the ...

$$a^2 - b^2 = (a - b) \cdot (a + b)$$

$$\left(\frac{a}{b}\right)^n = \frac{a^n}{b^n}$$

The *proof* of this formulas are the following ...

The following table (Table 1) shows the ...

1	2
3	4

Table 1. Table's title

The following figure (Figure 1) shows the ...

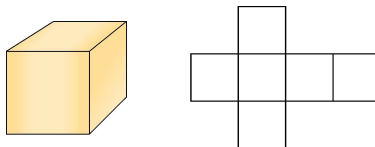

Figure 1. Figure's title

Acknowledgements

Text of the acknowledgements.
